The Delaware Art Museum Council presents the 2018

HOLIDAY HOUSE TOUR

“Celebrating Timeless Classics”

Advertise your business in our special keepsake program. The **December 8, 2018**, tour features our Brandywine Valley’s architects and builders who design and build houses for elegant living in this beautiful area of the country. Creative families transform these houses into homes for themselves and then graciously invite us to visit on Tour Day.

Proceeds from this year’s event will benefit the RED APPLE FUND - the enrichment and outreach program for local students - and other programming at the museum.
